

Kentucky REC & KHIE

MEANINGFUL USE SURVIVAL SEMINAR

privacy & security | meaningful use audits | meaningful use stage 2

Kentucky REC & KHIE invite you to attend the 2013 Meaningful Use Survival Seminar in your area.

In March, April and May, Kentucky REC and KHIE will travel to several cities throughout the state of Kentucky to offer Continuing Education programs to all healthcare professionals.

The educational programs will include information regarding: Privacy & Security Risk Assessment, Meaningful Use Audits and Meaningful Use Stage 2.

Kentucky REC will also recognize local healthcare professionals in each area who have led the charge in Health IT implementation and successfully reached Meaningful Use.

Registration is FREE to everyone and breakfast will be provided.
